

科目名	English IC (上級)	1単位
担当者	Elwood, James A. • Romanko, Rick S.	

1. 授業の概要・到達目標

【授業の概要】

The aims of this course include providing students with opportunities to (a) use oral English skills obtained prior to entering the university, (b) extend that knowledge through a variety of speaking and listening activities, and (c) gain confidence in their ability to function in English both inside and outside the academic community of the university

【授業の到達目標】

1. Practice and enhance previously-acquired oral English skills
2. Gain facility in using appropriate register in English
3. Become proficient in writing e-mail in English
4. Become familiar with the basics of the International Phonetic Alphabet
5. Become familiar with processes (e.g., elision) in natural spoken English.

2. 授業内容
