2014年度 総合数理学部シラバス 記入書式

科目名	English 2A (Advanced)	1 単位
担当者	Elwood, Bussinger	
1. 授業の概要・到達目標		
<p>【授業概要】 In this course students will engage with a variety of current topics ranging from science to history. While addressing such topics, students should expect to practice and improve their grammar, lexical, and discourse skills. Academic writing skills will also constitute an important segment of this course, which will include both individual and group work. Students will also examine and present related material in class to enhance our classroom discussion.</p> <p>【授業の到達目標】</p> <ol style="list-style-type: none"> 1. Expand students' range and facility of vocabulary. 2. Analyze contemporary issues of importance while polishing oral discourse skills. 3. Further develop academic and presentation writing skills.
