2014年度 総合数理学部シラバス 記入書式

科目名	English 2A (Super Advanced)	1 単位
担当者	Elwood	
<b>1. 授業の概要・到達目標</b>		
<p>【授業概要】 Designed for students with a very advanced level of English, this course will employ current events as topics of discussion. Our textbook draws on recent articles carried in <i>The New York Times</i>, but more current events will be incorporated into class. Students are expected to actively participate in class, which will include the four basic skills. Time will also be devoted to crafting academic papers, and students will be author a series of short papers that culminate in a longer, term-final paper.</p> <p>【授業の到達目標】</p> <ol style="list-style-type: none"> <li>1. Enlarge academic vocabulary.</li> <li>2. Analyze contemporary issues of importance while polishing oral discourse skills.</li> <li>3. Further develop academic writing skills.</li> </ol>
