Your choice and reason for choosing it

I chose to read and report on the Nicholas Carr article titled “The Internet Makes Us Stoopid” because I agree with the author’s basic point that the Internet does not help people learn better, but rather makes them lazier.

Carr begins with the idea that ... Lorem ipsum dolor sit amet, consectetuer adipiscing elit. Maecenas porttitor congue massa. Here are two paragraphs about the main points that the author makes.

Talk about the main points in your own words (DO NOT just copy what the author wrote!).

Finally, talk about your impression of the author’s main points.

Did you agree or disagree? Why? What points were more impressive or persuasive?
